Sketching

Rapid Prototyping

EXPERIENCE

Product Designer & Co-Founder | Appo

Sarajevo, BH | Sep 2023 - Current

Led the end-to-end design of a mobile app startup, from shaping product vision to building and testing interactive prototypes. Defined the brand identity and visual language, and collaborated closely with developers to translate ideas into a functional product, while driving user research and feedback cycles to refine the experience.

UX UI Designer | Well BP

Sarajevo, BH | Dec 2025 - Jan 2026

Led the full redesign of wellbp.com, executing the complete design process from UX research and strategy to high-fidelity UI and interactive prototyping. Delivered a solution that is user-centered, visually cohesive, and fully responsive, while effectively communicating design decisions to stakeholders.

Designer | Freelance

Remote | 2020 - Current

Worked on a range of design projects for diverse clients, including branding, visual design, UI, and print, delivering cohesive and polished solutions across mediums.

EDUCATION

Bachelor of Software Engineering

International University of Sarajevo

Sep 2021 - Jun 2025
